Physical Education Uniform Information:

We are excited to offer The SPSHS PE School Store for the 2023-24 school year. This year, physical education students are required to wear a gray top and a black bottom. We have created an online SPSHS PE School Store with a variety of options. We are allowing the options of purchasing from the SPSHS PE School Store OR to bring items from home.

A recommended item for purchase for Team Sports and Fitness Foundations/Fitness Mastery is a reversible pinny, found on the online SPSHS PE School Store. We suggest you purchase a personal pinny for appropriate personal hygiene practices. If you choose not to purchase a pinny, the school will provide one in class to use. We also recommend students in Fitness Foundations/Fitness Mastery purchase a tee from the SPSHS PE School Store.

Store opens 8/14-8/27 Closes to process orders.
Store re-opens 8/28-9/10 Closes to process orders
