

This week schedules will be made available by BCPS for students to view within BCPS One. Sparrows Point High School will use a semester schedule, meaning we will have 4 course slots Semester 1 that run from the start of the year until late January 29th, 2021, and then the Semester 2 courses will run the second half of the year. In **Schoology**, you will only be able to view your first semester courses.

To view your whole 2020-2021 schedule, use your device to log into BCPS One> click on the Student Information Tile>and click on Schedule.

(If you are having device issues contact <https://bcpsone.bcps.org/supportportal/>)

You will also **receive a paper schedule** in the mail with our summer mailing packet. This schedule will be formatted in the traditional A day and B day format- your A day classes are your semester 1 classes and your B day classes are your semester 2 classes. There is a table for you to copy your schedule to a Semester 1/Semester 2 format, if you would prefer to have a paper copy at home with you.

Requests to make a change to student schedules are only available for the following reasons:

- *inappropriate level of instruction (i.e. honors v. std v. GT/AP)
- *course out of sequence (i.e. trigonometry before algebra)
- *failure to satisfactorily complete prerequisite
- *different course needed for graduation in 2021
- *already earned credit in the course
- *physical/medical necessity; please provide medical documentation

Please know that the school counselors have created the best possible schedule for each student based on the courses each student requested and teacher recommendations, within the structure of the school schedule. As a result, requests to drop classes for early release from school will not be granted. Additionally, the deadline for dual enrollment with CCBC has passed, so students will not be dropped from SPHS classes for dual enrollment. Requests to adjust schedules for reasons not essential to your school program will not be approved.

Schedule changes will take place virtually this year and all students are asked to utilize this link to share information about a requested schedule change, if the request meets the guidelines above:

https://docs.google.com/forms/d/e/1FAIpQLScre-IS0ixq9N7JrufAPtbXQipqd8np6Uep1S-3S0QXp2TthA/viewform?usp=sf_link

If your request meets the requirements for adjustment, and a change can be made without additional conflicts- you will not be contacted by your counselor. Only changes requested in this Google Form will be reviewed. Please do not email your counselor directly with your schedule

adjustments. The Google Form will include space for you to comment about your adjustment requests.

Students will be contacted by a school counselor on these dates:

Schedule Change Date 1: 8/24/20

Schedule Change Date 2: 8/25/20

Schedule Change Date 3: 8/27/20

Please indicate if you want an email or phone call for the contact. The school building is closed. Do not come up to school for schedule adjustments. Please check BCPS One/Schoology after 8/31/20 to view changes that were made to your schedule.
